| | | |
|---|---|---|
| Photoshop | Mathematica | AWS |
| Lightroom | R Studio | LAMP |

## Honors

**Best Demo Hack** – Tackle STEM Colorado All-Stars Hackathon (2016)

**AP Scholar w/ Distinction** (2016)

## Work Experience

**IT Intern** @ CU Boulder | August 2016 –
Update information on the Applied Mathematics' Drupal site, in addition to servicing equipment across the campus. Daily tasks involve performing maintenance and troubleshooting faculty equipment. Job involves knowledge of **Linux**, **Windows**, and **MacOS**.

**Marketer** @ elope, Inc. | May 2017 – August 2017
Automated data collection to sort 4,500+ clients into verticals, saving hundreds of hours of work. Verticals were then used to target specific clients with promotional materials relevant to their channel. Also worked to design automations on **Mailchimp**, and wrote product copy for a new site launch.

**Intern** @ elope, Inc. | May 2012 – August 2016
Worked with the warehouse, IT, design, and web teams over four years to collect and catalog product and client data to drive marketing campaigns and increase sales.

## Projects

**Verticals** | 2017
Developed for elope, Inc. to automate the process of sorting B&M clients into their relevant verticals. Utilizes Python and Google search results to categorize stores by business type.

**Her** | 2016
Cleverbot integration for the Alexa platform that allows individuals to hold conversations with their Alexa-enabled devices. Python + AWS Lambda. Won Best Demo Hack at the Tackle STEM Colorado All-Stars Hackathon.

**Obama Markov** | 2016
Developed as a precursor to **Her** for the Tackle STEM Colorado All-Stars Hackathon. Utilizes a Markov chain fed with Barack Hussein Obama's speeches over the past 8 years in order to create tweets in the likeness of 44. Python + AWS Lambda.

## Volunteering

**Social Media Director** | November 2016 –
In charge of social media department and CU Boulder chapter of Keep Colorado Green, a 501©(4) dedicated to fighting climate change at both the state and federal levels. Also built and maintain our website at keepcogreen.org.

**Trainer** | October 2010 – March 2016
Taught elementary-school children Gōjū-ryū karate at the United States Karate Academy. Lessons included basic techniques, as well as katas (sets of movements). Also sat on a panel of three judges to select winners during intra-dojo tournaments.

**Organizer** | March 2014 – March 2015
Organized the local St. Baldrick's Foundation event in Colorado Springs. Set up the event space, handed out promotional pins/t-shirts to all shavees℠, and sorted before-and-after photos in **Adobe Lightroom**.
